

# ETX nutrunner and Power Focus

Optimized for fixtured applications

*Atlas Copco*

# MULTIPLES BY EXPRESS

## Flexible and powerful

Why waste time and money reinventing the same solution when you can customize your multiples – by Express?

“Express” components are designed and manufactured by Atlas Copco. Our long experience, uncompromising quality and unrivalled R&D resources ensure products that meet the most stringent demands.

## Short lead-time – fast response

The unique Express concept permits quotations, complete with specifications and dimensional drawings, in days rather than weeks. The secret is smart modular thinking (Express) and an outstanding logistics network. This means real savings – in time and money.

*Stand Alone system – quick, easy and powerful.*

*Express mechanics*
